# About NTPC School of Business

NTPC Ltd a Maharatna company serves as India's largest energy conglomerate. The company recognizes the fact that human and knowledge capital are the key value differentiators for the success of economic and business activities that serve the developmental aspirations of the nation. This holistic outlook inspired NTPC Ltd to promote the NTPC School of Business (NSB) to nurture human capital for the entire energy sector.

- ❖ **NSB delivers through two AICTE approved programmes**, namely, the 18 – month Post Graduate Diploma in Management – Executive (PGDM-E) and the two – year PGDM – EM. Professionals with a minimum of three of experience can apply for enrolment in the former programme. The latter is meant for freshers in the field. A rigorous screening process

help select the most deserving for enrollment. These courses are designed to enrich management learning and practice at all levels of decision making in the energy management landscape.

- ❖ **A Global Immersion of two – weeks** is an integral component of our 18 – month Executive – curriculum. Past destinations included such renowned institutions as the

Nanyang Technical University in Singapore, Judge Business School, Cambridge University, Lappeenranta university of technology (LUT), Finland. University of Maribor, Slovenia, and ESCP in Madrid and Paris; RMIT University, Melbourne; University of Melbourne; La Trobe University and Monash University, Australia. Interaction on site and with experts provide for an enriching experience.

- ❖ **A large number of management development programmes** too are organized for the benefit of stakeholders in the energy domain. Research projects and consultancy are equally important facets of NSB's academic and research endeavors. NSB has served the information and capacity building needs of peers in 50+ countries across the globe and is poised to deliver best in class knowledge services with greater zeal and utmost relevance.

**Faculty at NSB** comes with substantial academic, research and industry experience. Case study and analysis based approaches complement with lectures, group assignments, discussions, hands-on projects and management games.

**State-of-the-art infrastructure** at the School includes computer labs, seminar halls, cafeteria, medical facilities and well equipped lecture rooms. NSB also has a well-endowed library that enables access to a wide variety of national and international journals and electronic databases.

**Extracurricular activities at NSB** are conducted through various clubs and committees. They are theme – specific; for instance; as the Ojas (Art & Culture), Sadaya (Social Service), Awaaz (Public Speaking and Personality Development), Akshaya (Sustainability), Prarambh (Innovation & Entrepreneurship), Saahas (Sports), AAN (the Alumni Association of NSB) & Gyan Urja (Knowledge Management) and help relate with many national and international events.
